

RECOMMENDATION FOR FULL-TIME TRAINING

I write to recommend Sister Jennifer Ablah Amanor, who happens to be a member of the Body of Christ in Ningo within the Greater Accra Region of Ghana, for admission into Full-Time Training.

Jennifer has been in the church all her life (Recovery Kid). I have seen her commitment and openness to living a Christian and spiritual life. She desires to learn the Lord's Word and serve the Lord.

She is regular at meetings, participates in church activities, and always maintains good relationships with fellow believers. Training such as the Full-Time Training will further equip her to serve the Lord.

Based on the above, I recommend her to be enrolled in your institution for Full-Time Training.

Yours Faithfully

Brother Daniel Teye Eku
